Foreword

"The shaping of our own life is our own work. It is a thing of beauty, or a thing of shame, as we ourselves make it. We lay the corner and add joint to joint; we give the proportion, we set the finish. It may be a thing of beauty and of joy forever."

—Ware

There's a time for everything, someone has said: a time to be born and a time to die, but, as some wag also said, "it's the time in between that worries me." There's a time for school and a time for work; a time for love and a time for marriage; a time for worry and a time for fun. The time . . . the minutes, the hours, the days, and months, and the years we have spent here . . . have been eventful and good years, sometimes sorrowful, most times glad, filled to capacity with joyous things for us to do. Is it any wonder we chose "Time and School Life" as the theme of the 1964 Oaks?

So as we venture forth, we leave behind us in the pages of this yearbook another world . . . a world of fond memories and a record of things attempted and things achieved. In this volume we leave but a trace, even a hint or two, perhaps, of the many adventures we had. One must read between the lines of this book in order to savor its content to the fullest.

We are sure you will agree, whether you are a senior or not, that this yearbook is a kind of symbol for all of us. Page by page, it ticks off each precious minute and hour of our school days . . . more precious to us now because they are almost gone. The Oaks, which may be thought of as growing and developing out of a little Acorn, is a symbol of growth and of strength. This yearbook will always be cherished by us, the Senior Class of '64.

June 11, 1964

Dear Mr. Thies,

In appreciation of an excellent job in both teaching and coaching, we the Graduating Class of Nineteen Hundred Sixty-Four proudly dedicate this forty-third volume of The Oaks to you.

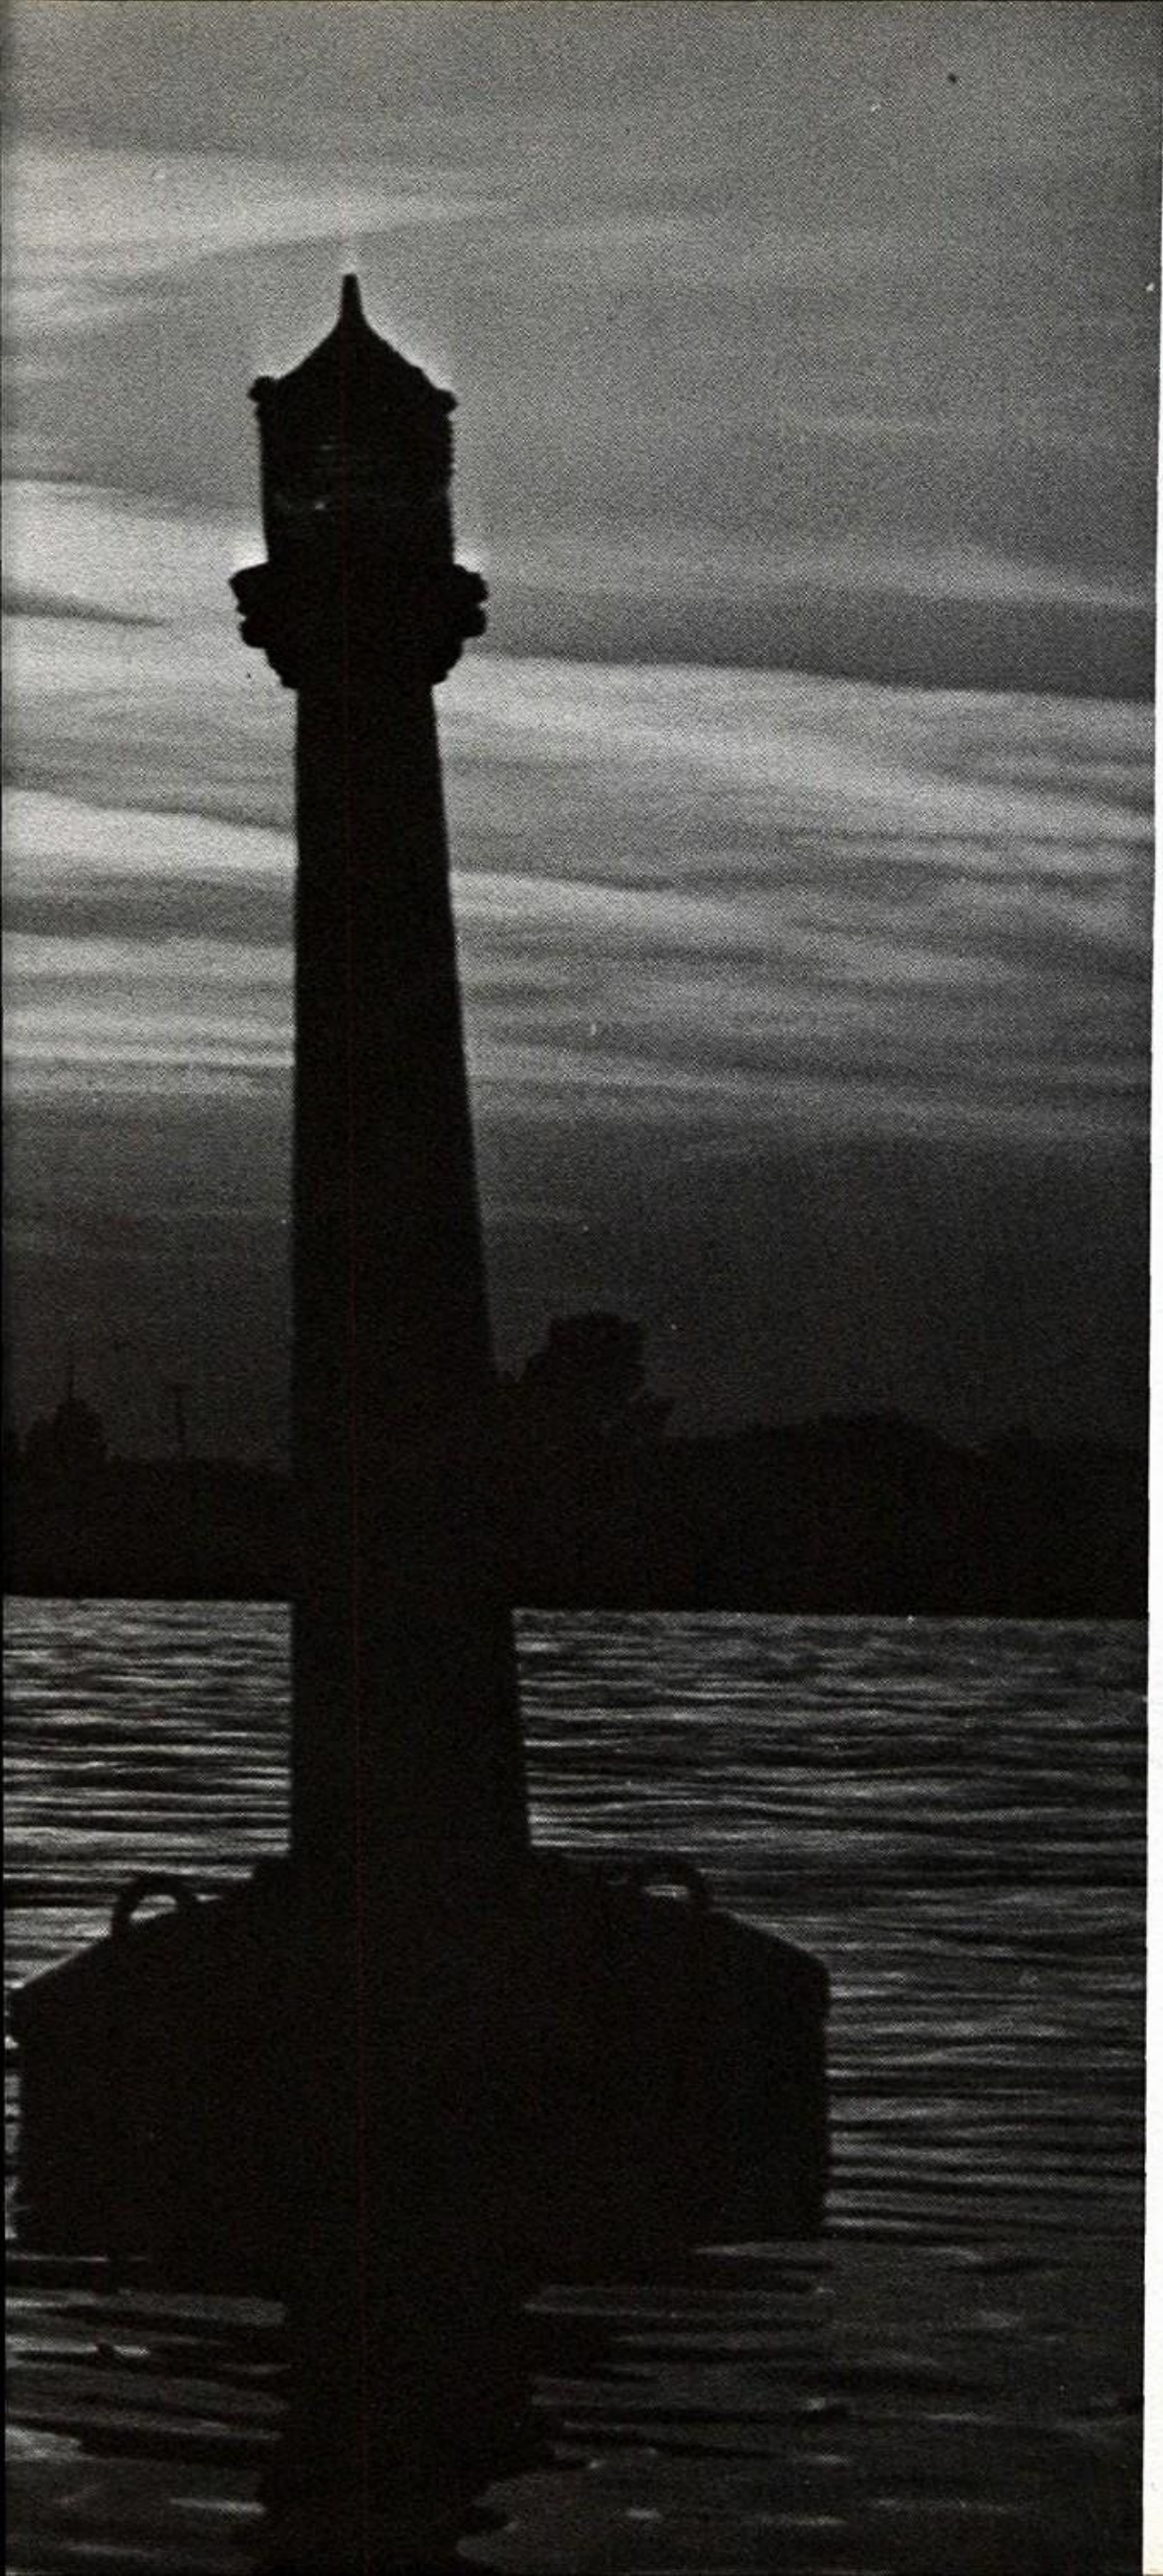
After earning your Bachelor of Arts degree in mathematics from Western Michigan University in 1952, you came to Muskegon Heights. You returned to the University in 1957, to receive your Master's degree.

You have not only continued to teach well, but have coached several of our fine teams to repeated victories in Track, Reserve Basketball, and Reserve Football. In 1962, you coached our boys to victory in the Class A Track Championship of Michigan.

You were married to Emily Hansen on August 9, 1953. Your family now includes two wonderful children, Tom and Kathy.

Thank you for your school spirit, and love of teaching. and good luck, Mr. Thies!

Sincerely,
The Senior Class
1964



Faculty and Administration

"You'll find as you grow older that you weren't born such a very great while ago after all. The time shortens up." — William Dean Howells

Board of Education

Superintendent

Mr. Strong

Robert B. McCaleb, President 1966
Hugh H. Campbell, Vice-President 1965
Edwin W. V. Anderson, Secretary 1967
Jay Retsema, Treasurer 1964
Foster O. Bishop 1966
Robert E. Garrison 1967
Anita M. Herald 1965

Retiree

Mr. Campbell

When Mr. Hugh Campbell decided to retire from our Board of Education last fall, it was a great loss for this community. He was a dedicated member of the Board, able and conscientious. Incidentally, his children were graduated by this high school, as well as he. Good luck, Mr. Campbell!

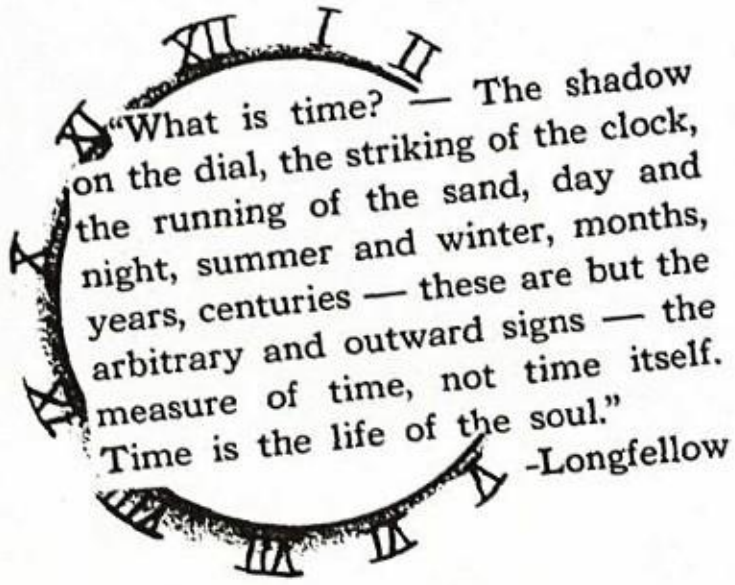
"New times always! Old time we cannot keep. Time does not become sacred to us until we have lived it, until it has passed over us and taken with it a part of ourselves." — John Burroughs

"The shaping of our own life is our own work. It is a thing of beauty, or a thing of shame, as we ourselves make it. We lay the corner and add joint to joint; we give the proportion, we set the finish. It may be a thing of beauty and of joy for ever." — Ware

"Regret for time wasted can become a power for good in the time that remain. And the time that remains is time enough, if we will only stop the waste and the idle, useless regretting." — Arthur Brisbane

"All my possessions for a moment of time." — Last words of Queen Elizabeth I.

"We live in deeds, not years; in thoughts, not breaths; in feelings, not in figures on the dial; we should count time by heart-throbs. He most lives who thinks most, feels the noblest, acts the best." — G. Bailey



"What is time? — The shadow on the dial, the striking of the clock, the running of the sand, day and night, summer and winter, months, years, centuries — these are but the arbitrary and outward signs — the measure of time, not time itself. Time is the life of the soul."
-Longfellow

Pres. Kennedy Eulogized In Special Assembly

By Susan Bolt

Wednesday, November 27, the administration of Muskegon Heights High, with the co-operation of the students, presented a memorial assembly to the late President, John Fitzgerald Kennedy. It was a solemn assembly and followed a patriotic theme.

A prelude by the orchestra was foll ved by an introduction principal. with the aud wer by a t rie son, a r ar k. Ru s

St. Nicolaas, of the Netherlands, was a Spanish Bishop

By Pieter Joosse and Susan Bolt

The Christmas season in the Neth- erlands begins December 5, when the people celebrate the birth of a by Spanish bishop with the name laas. Centuries ago t from Spain to help t the Netherlands. ber 5 is a festival olaas is suppos f the hous with his Pete". On y for the ids a m ach her ak

Cross Country Champions

L M A C

'64

Top - J. Broadbent, B. Nanson, C. Smith, B. Gould, G. Bruce, B. Vines, G. Turner.
Middle - M. Grady, N. Stone, B. Hunter, R. Lynn, S. Townsell, J. Vines, C. Steele.
Coach Donn Westman, D. Cecot, D. Neil, W. Leadman, J. Autman, M. Cassidy, D. Banks, A. Banks, L. Kennedy.

This season Cross Country team, coached under Coach Donn Westman, set records in the Conference Meet by being the only team to win twice in history. They also set a scoring record by having the greatest point spread between the Tigers and second-place team, of 43 points. Heights had 69 points.

Next season the Cross-Country will be minus the powers of Wayne Leadman, Dick Cecot, and Mike Cassady who will graduate.

Wayne Leadman broke three course records at Holland, Traverse City, and Muskegon Christian.

Dick Cecot kept the winning spirit in the boys by his determined running. This gave the team the balance needed to win.

Mike Cassady showed his skill by coming from an 18th place last year to a fifth place this year.

Jim Autman broke the Muskegon course record. He still has two years of competitions ahead and has unlimited potential.

Don Neal qualified in the Regional meet to represent M.H.H.S. at the State finals by placing 10th of 156 competitors.

Baseball 1963

Moorehouse (Mgr.), Vanderwest, Doan, Riley, Kempker, B. Engleright, Beecham, Brown, Swelnis (Coach).

Castagna, Campbell, Vauters, Adams, Lynn, Dingler, Krueger, Gierzak.

Golden, Banks, Gillhespy, Ripley, Hylland, Wright, Johnson, Nearing.

The baseball team ran a season of seven wins and six losses before bowing out to Muskegon by one point in the "North Playoff".

Some of the graduating players are Pitcher Tom Hylland, Shortstop Dave Ripley (who was the teams leading hitter); also William Wright, an outstanding outfielder.

Those who will return to make another victorious season are lettermen: Emanuel Nearing, a top-notch catcher; infielders Dan Krueger, Roger Gierzak, Darryl Dingler, and Mike Castagna; outfielders Dick Vanderwest, Gary Riley, and Tom Adams; pitchers Ron Lynn and Roger Brown.

Golf 1963

Al Brooks, Mike Lowman, Joe Sternburg, Bob Hansen, Bob O'Brien
Ed Johnson, Tom Vanderplow, Coach Bidvia, Eric George, Alfred Uschkamp

The 1963 Golf Team, coached by Mr. Everett Bidvia, compiled an excellent 11 and 3 record last year, placing third and fourth, respectively, in the Conference and Regional meets. Not everyone realizes the fact that Coach Bidvia himself was a star golfer in college and is at present an outstanding player at Pontaluna.

The group comprising last year's team were also talented boys, and all are enrolled in colleges except for Alfred Uschkamp, "foreigner-exchanger", who went home to Germany.

Predictions for the '64 season were unreliable at the time The Oaks went to press. It looked as if Coach Bidvia and his team would have another victorious year.

CONGRATULATIONS TO THE 1964 GRADUATING CLASS!

Like the Sealed Power sign says, you have insured your job future by "work well done."

Through application and study you have graduated from High School. This is an important step in your life — a milestone on the road toward a rewarding and satisfying future.

Today's industrial challenges are complex. A company must have well-educated and trained personnel to be successful. That is why the 244 Sealed Power factory employees hired last year had a high school education or its equivalent. That is why Sealed Power emphasizes management development through advanced training.

Pictured below are selected college graduates who joined Sealed Power in 1963 and are now in training for future management positions.

SEALED POWER CORPORATION

Leading Manufacturer of Engine Parts

Plants in Muskegon and St. Johns, Michigan;
Rochester and LaGrange, Indiana; Stratford, Ontario;
and Naucalpan de Juarez, Mexico

Now I wonder what I did with that silly thing?

I can't find the invisible tape.

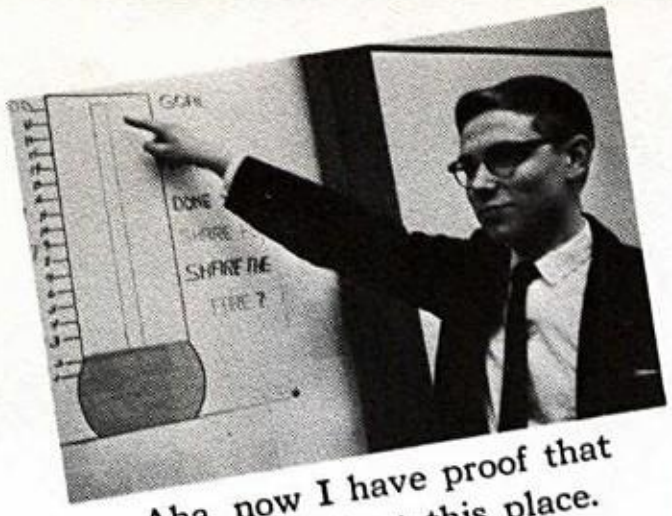
Fore-e-e-e!

Don't get funny and plug my guitar back in.

How to make wine like grandma used to make.

. . . and my group had 34% more cavities!

I'm waiting for prince charming, I think I'm Cinderella!



Aha, now I have proof that they don't heat this place.

And to think our group had 20% fewer cavities!

Well Bo, you see it all started with some stupid birds . . .

With all this darn hair in my eyes, how am I suppose to see anything?

Let's see, Mr. Paliatsos has grown about so-o-o much since last year, has he not?

Alright you guys . . . put those silly knives away.

And furthermore I resolve that in the future we have clean debate trips.

Best Wishes

Mexican Student Arrives, To Stay Six Months

By Brenn Sprecken

We have a new exchange student from Mexico City, Mexico. Her name is Maria de Jesus Guillen. She is 15 years old and will stay here six months.

She stayed three months with a family in Grand Rapids. When the other Mexican exchange students returned, Maria received permission to stay. Maria is staying with the Henry Dierking family. Her American sister is Mary Dierking, a sophomore at Heights. Her family in Mexico includes one sister and brother. She was born in Mexico City, but returned to Madrid, Spain, the homeland of her parents for six years. Her father is a dealer in Cashmere woolens.

This is the first public school Maria has ever attended. She lives in a large home, and has a ranch where she and her family spend their weekends swimming and riding horses.

Jokes Galore

Overheard in a biology class:

Joyce: What did one octopus say to another?

Bonni: I don't know. What?

Joyce: One of these days, pow, pow, pow, pow, pow, pow, pow, pow — right in the kisser.

* * *

Mr. MacIntosh: On the Lewis and Clark Expedition, after they had been traveling a long time and had not come to the Pacific Ocean, what did Clark say to Lewis?

Pat Kettle: Long time no sea.

* * *

Mr. Z.: Give me a sentence with an object in it.

George L.: You are very handsome, teacher.

Mr. Z.: What is the object?

George L.: A good grade.

* * *

Mother: Why are you crying, Martin?

Martin: I cleaned the bird cage and the canary disappeared.

Mother: How did you clean it?

Martin: With the vacuum cleaner.

* * *

Mr. Ochs: What General has the strongest charge?

Emanuel: I don't know. What General does?

Mr. Ochs: General Electric.

* * *

Some girls go to college to pursue learning; others, to learn pursuing.

* * *

We Lost, True . . . But Did We Have Fun? ! !

By Katherine Berry and Chuck Martin

Vroom! The Greyhound motor started and the 44 occupants of the bus set off at 4:15, January 24, with high hopes for a victorious evening at Benton Harbor.

Arriving there at six o'clock, famished, the fans trotted into the huge gym. When they arrived, the gym, capacity 2900, was just starting to fill up. By 7:00 it was full of shouting, booing, whistling, highly-partisan Benton Harbor rooters. Sandwiched in the middle of this throng was our noisy little cheering section, cheering our Little Tigers on to victory.

In the thrilling first game, the Little Tigers, as tension rose, squeeked by Benton Harbor with a flurry of shots in the last few minutes. The final score was 75-67.

The second game found Benton Harbor on the range as L. C. Bowen broke the school record with 49 points. This, unfortunately proved to be too much for us, even with Larry Hammock's 35 points.

But the evening was not ruined, although we lost 75-100. Nothing could seem to dampen the spirits of the bus riders. On the way home, they were entertained with many of the current "Top Ten", and a few old favorites, such as On Top of Spaghetti.

The final total would show that the bus trip was entertaining, educational, and worth while. Let's hope that next year will find Heights students again journeying to Benton Harbor with hopes of victory.

Juniors Choose Class Rings

By Susan Bolt

A committee from the Junior class met with Mr. Ernst (from the Josten Company) and selected three different styles of class rings. The committee chose a traditional style, a rectangular style, and something new this year, a round style. Committee members included Joella Bartels, Chairman; Barb Wahr, Dale Klassen, Ray Russ, Tom Cross, Joyce Groneveld, Al Dumont, and Gwen Calloway.

The members of the Junior class voted for the traditional style.

The Junior class ordered their rings January 28 and February 13. The rings are expected to arrive during the month of May.

Share the Fare Started by Student Council

By Kathy Kimble
As told to Katherine Berry

For the past six years, Muskegon Heights High School has been participating in the nationally acclaimed *Youth for Understanding* overseas student exchange program. "Share the Fare", the MHHS campaign to raise money for this program through ticket sales, earned $1,101.00 last year. "Share the Fare" means just what it says. We, the student body and citizens of the area, help to share the cost of sending these students to Europe and maintaining European students here.

The big kick-off assembly, next Wednesday, February 19, begins at one o'clock when the six candidates for the summer exchange scholarships are introduced to the Student body. Vying for the honor of being chosen one of the two delegates are Dale Klassen, George Lafkas, Roger Lance, Loren Reynolds, Rosemary Poland, and Diane Posvistak. The exchange students will be chosen on a basis of scholarship and leadership in school and community. At this time also, plans for a successful campaign and the various prizes which will be given for selling shares will be announced.

Chairmen of this year's campaign are Kathy Kimble and Chuck Martin, Heights exchange students last summer, through Student Council. Over 10,000 tickets have been ordered, approximately 2,000 more than last year. As you can see, they hope to make this year's campaign much bigger and better than in years past.

"Share the Fare" is entirely dependent on you, the students of Heights High. If you set out and sell those shares and earn the $2,000 that we can earn this year, "Share the Fare" will go down in the history of MHHS.

Mystery: Which Valentine Was the Real One?

THERE are eight saints who bear the name of St. Valentine, and it is not known for certain which one, if any, is responsible for the celebration of St. Valentine's Day.

Three of these men were martyrs whose feast day falls on February 14. One Saint Valentine was a Roman priest and doctor who was beheaded about A.D. 269. He is buried in a cemetery named for him. The second was a bishop who is believed to have been beheaded in Rome about A. D. 273. The third was a martyr in Africa, about whom very little is known.

But the most widespread legend says that Valentine was a young priest who lived in the time of the Roman Emperor Claudius, in the third century. Claudius' ambition was to expand his empire, but he had a tough time mustering up an army to carry out his ambitions. The reason for this was that most of his male subjects didn't like the idea of leaving their wives.

Enraged that the males of his realm preferred home to glory in battle, Claudius banned all further marriages.

A young priest named Valentine, sorrowing for the frustrated lovers, disobeyed the ban and performed several marriages in secret. When the secret was discovered by Claudius, he tossed Valentine into prison. There he died, a martyr to love, February 14.

During his imprisonment, Valentine was befriended by the jailer's daughter. He used to send her bits of poetry signed, "From your Valentine".

But from the knowledge of serious historians, Valentine's Day is derived from a pagan Roman festival celebrated in February honoring the golden-sandled goddess, Juno. Juno was the guardian of women, and sister and wife of Jupiter.

The custom of exchanging valentines came to the United States by way of England, where it started up around the fifteenth century.

The era of the mass-produced valentine began in the early 1850's in the attic of the Howland family's house on Summer Street in Worchester, Massachusetts. It all started when the daughter, Ester Howland, took a long hard look at the ready-made valentines imported by her stationer father from England and announced that she could do better. She made a few samples and persuaded her father to let her brothers take them along on their annual New England selling trip.

To everybody's surprise, the Howland boys came back with $5,000 worth of orders. To meet the demand, she drafted a group of friends and neighbors to form a valentine assembly line in the attic. This little home business boomed to the point where it was grossing an average of one hundred thousand dollars a year. Ready-made valentines marked "Made in U.S.A." were here to stay. (Ironically, Ester Howland remained a spinster.)

Comic valentines became popular in the 1870's, most of them coming from the drawing board of a single cartoonist, Charles J. Howland.

Today valentines are second only to Christmas cards in volume. On an average February 14, U.S. mailmen are weighted down with a million and a half valentines. Add to that the number slipped through the slots of valentine boxes in schools and deposited stealthily on office desks.

Tiger Talkers Take Eight For Plaque

By Penny Essenberg

Another year of State Debates is over with the Heights debaters winning all of the eight debates they participated in. The Tiger Varsity team, consisting of Rosemary Poland, Mike Mangino, Chuck Martin, and Penny Essenberg, defeated such formidable opponents as Grand Rapids Godwin Heights, East Grand Rapids, and Holland Christian and received a forfeit worth two debates from Holland High School. The rules of the league state that only six of the eight debates must be won in order to secure a plaque from the State Forensics Association.

The Junior Varsity team (Martin Berry, Evelyn Frierson, George Lafkas, and Kathy Kimble) are very proud. The whole debate team made the long journey to Battle Creek Central High School for the First Annual Cereal Bowl Tournament on January 25, 1964. About 60 teams attended and out of all of these the JV's placed second with a 5-1 record and received the trophy which was a hand-carved "cereal bowl" with the name of the award inside the bowl. The Varsity debaters came home with a 4-2 record with the two losses being to Ypsilanti and East Lansing High Schools — one loss by the affirmative team and one by the negative.

The West Shore Debate League Tournament is over. The Heights team ended with 12 wins in 21 debates.

Local Girls Make a Record With Rondell

By Barb Luders

England has The Beetles, New York has the McGuire Sisters, and now Muskegon Heights has a group all its own. The group consists of three of our own Heights Tigers! They are Ruth Miller, Marcia Hoffman, and Ruthie Farrior.

While at a jam session at a local restaurant, Frank Rondell, a popular teenage singer, heard these talented girls sing. He was so impressed that he asked them if they would make a record with him. Being the chance of a lifetime, the girls accepted.

The group they sang with is called "Frankie and the Ravens" and their song as a swinging rock-and-roll hit called "Tru-gee". The flip side is "I Ain't Goin' Home". It is put out by the Golden-Triangle Company and was recorded in Grand Rapids. It is currently being played on WTRU.

When asked about the event, Ruth Miller said, "We all had a wonderful time and we hope to do it again!" So the next time you listen to the radio and hear "Frankie and the Ravens", you'll remember our girls who made another Tiger "First"!

Final Issue Of The Year

This edition of the ACORN will be the last issue of this year. Because of the great amount of work to be done on the yearbook, the Publications staff will not have adequate time to get out another ACORN.

5. First faculty - 30 members
6. First school colors - Green and White
7. First senior class colors - Blue and Gray
8. First football coach - Mr. Misner
9. First Board of Education
   President - P. H. Cashbaugh
   Secretary - Fred Ridout
   Treasurer - G. C. Jaschek
   Trustee - T. J. Pedler
   Trustee - H. E. Lowes
10. First "OAKS" editor - Kenneth Gabel

Now. . . .

1. Gymnasium addition constructed - 1954
2. Shop addition constructed - 1956
3. Principal - Mr. H. A. Kruizenga
4. Graduating class - 280
5. Total enrollment - 1087
6. Faculty - 54 members
7. School colors - Orange and Black
8. Senior class colors - Black and Gold
9. Football coach - Mr. Oscar Johnson
10. Board of Education
    President - Robert McCaleb
    Vice President - Mrs. Gertrude McIntyre
    Secretary - Edwin Anderson
    Treasurer - Jay Retsema
    Trustee - Foster Bishop
    Trustee - Robert Garrison
    Trustee - Anita Herald
11. "OAKS" editor - Penny Essenberg

In Memoriam

Our President

John F. Kennedy
1917 - 1963

"Ask not what your country can do for you; ask what you can do for your country."

Inaugural address, January 20, 1961

John F. Kennedy was born May 29, 1917, in Brookline, Massachusetts, a suburb of Boston. He attended Princeton and Harvard Universities, graduating cum laude from Harvard in 1940. He attended graduate school at Stanford University, Stanford, California, before enlisting in the Navy in 1941. At 29, he became the youngest member of the House of Representatives, where he served for six years. In September, 1953, he married Jacqueline Lee Bouvier and they had two children. He was a member of the Senate for eight years. Campaigning with Lyndon B. Johnson in the 1960 presidential election, he won by a plurality of fewer than 150,000 votes of the 70 million cast. The electoral college vote registered 303 to 219 for Nixon. He was inaugurated January 20, 1961. He was the youngest man ever elected President and the first Roman Catholic.

Let us remember President Kennedy with warm, happy thoughts about his ideal of equality regardless of race, creed, or color, and put this ideal to work in our daily lives. As loyal Americans we will remember him as we remember Abraham Lincoln and "Thank God we had him, even for a little time."
